EXPERIENCE

World Business Chicago - ThinkChicago Intern

May - Aug 2019

- *ThinkChicago: Lollapalooza is an annual event wherein 200 top college students from across the country take a behind-the-scenes tour of Chicago's vibrant technology ecosystem. The program is designed to promote the growth of Chicago's technology sector and attract top talent.*
- Partnered with the ChicagoNEXT Executive Director and Program Manager to select prime candidates, evaluate venues, and coordinate activities for the event.
- Configured and launched the ThinkChicago app, consistently maintaining communications with event participants, volunteers, and coordinators.
- Successfully executed the event, leaving students with information about the work and mission of various potential employers as well as with personal connections.

Office of State Representative Carol Ammons in Champaign, IL -

Constituent Services Intern

Jan - May 2019

- Played an active role in constituent correspondence and making sure that they knew their concerns were heard.
- Aided constituents in resolving any government-related issues they had by researching solutions or communicating with other sectors of government on their behalf.

UIUC Students Against Sexual Assault Executive Board - *Publicity Chair*

Aug 2018 - May 2020

- Held the publicity chair position for a campus organization dedicated to awareness and prevention of sexual assault and domestic violence.
- Advertised events through social media posts and posters around campus and attending weekly executive board meetings.
- Advocated for a change of policy on campus.
